TIPS & IDEAS

GETTING STARTED

For many fundraisers, it can be difficult to ask friends, family members, and acquaintances for financial support. Start with those you know will be willing to support you and use this to build momentum.

CUSTOMIZE YOUR FUNDRAISING PAGE

Most potential donors will be people you personally know - friends, relatives, co-workers, and others within your social network. Often their decision to donate is because they are supporting you, rather than supporting the LGS Foundation. For this reason, inspiring your supporters is key to your success. You need to explain why you have chosen to participate, what the LGS Foundation means to you, and how their contribution can help the LGS Foundation achieve its goals.

USE SOCIAL MEDIA

Social media is a casual and fun way to have direct conversations with supporters, share fundraising updates, build awareness of LGS, and inspire giving.

- Share Your Story - Create a video and/or post pictures sharing the reasons why you're participating.
- Use our Hashtags - Stories with hashtags will generate more traffic and boost your fundraising. #LGSawareness #LennoxGastautSyndrome
- Include a Call to Action - Ask friends to join you! Find ways to get people to engage in your fundraising.

FUNDRAISE THE OLD FASHIONED WAY

A direct fundraising ask still works best in many cases. Collect cash or check (made out to the LGS Foundation) donations offline and mail them into the LGS Foundation.

Potential supporters that you see often but may not connect with online include:

- Work acquaintances: Bosses, coworkers, business partners, vendors, clients
- Associates from group activities: Teammates, coaches, classmates
- Members of your church or spiritual group
- Neighbors, hairstylists, dentists, or delivery drivers

THANK, THANK, THANK!

You will receive an email letting you know each time someone donates.
Thank your donors and keep them updated on your progress.
Thank people for liking and sharing your fundraising page on social media.
Thank people for forwarding your fundraising emails to those in their networks.

Note: Donors will also get a thank you email from the LGS Foundation.

EMPLOYER MATCHING PROGRAMS

Many companies match donations made by employees to nonprofits, to support employee charitable giving and to extend corporate philanthropy. Often this may double or even triple a donation! [Learn more here.](#)
