Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

The Lennox-Gastaut Syndrome (LGS) Foundation is a nonprofit organization dedicated to improving the lives of individuals impacted by LGS through advancing research, awareness, education, and family support.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 798,620 including grants of \$) (Revenue \$ 1,840) See SERVICES page for a description of this program service.

4b (Code:) (Expenses \$ 142,373 including grants of \$) (Revenue \$ 31,006)

In 2023, LGSF brought together nearly over 170 researchers, clinicians, and LGS families to advance clinical research in LGS. Attendees were provided the opportunity to collaborate and better discuss research and treatment options for LGS and to refresh our roadmap toward the cures. The meeting was a huge success, growing the LGS collaborative research network and getting consensus on two main goals for the future: (1) advancing research in sleep, behavior, and communications in those with LGS so we can measure improvements and (2) gaining consensus on which tools are best in measuring seizures in LGS and it's related comorbidities.

4c (Code:) (Expenses \$ 137,557 including grants of \$ 125,951) (Revenue \$)

LGSF funds research for better treatments and cures for lgs and lgs-related epilepsies by awarding research grants to qualified scientists and clinicians. These grants fund initial research hypotheses that have not been fully explored. The results extracted from this type of research will help bring untested research to the point that it may qualify for larger governmental funding. Since 2013, LGS has awarded nearly \$1.7 million to 16 research projects and over 12 research convenings. Research efforts have ramped up to increase this dramatically over the next 5 years. Research areas include death in LGS, sudep, understanding where the electrographic features of LGS originate in the brain, drug discovery, drug screening, treatments, genetics, epidemiology, and neural networks.

4d Other program services (Describe on Schedule O.) (Expenses \$ including grants of \$) (Revenue \$)

4e Total program service expenses 1,078,550

01. Footnote for uncertain tax position under FIN 48 (Part X)

The Foundation is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue code. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial Statements from such a

position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement.

There were no unrecognized tax benefits identified or recorded as liabilities for at December 31, 2023. The Foundations policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during 2022. Generally, the Foundation is no longer subject to U.S. Federal or State examinations for returns filed before 2018.

Grant applications are received throughout the year and qualified applicants affiliated with an accredited university are reviewed by an external review panel of scientific experts. Scientific scoring is based on the NIH R01 Grant scoring system and final scientific scores are shared with the Research Committee and Board of Directors (BOD). The LGS Foundation BOD then considers the scientific merit of each grant in the context of organizational goals and votes to fund approved research grants throughout the year. Grantees provide progress reports every 6 months to 1 year depending upon the length of the grant, which allows allocation of funds for the next grant period, and must provide final progress reports at the end of the project.

Explanation

Receiving a diagnosis of LGS is overwhelming and leaves families with many unanswered questions. LGSF provides patient navigator and family ambassador support to all living with LGS so that nobody has to walk the journey alone. We host a biennial professional and family conference designed to unite the community of patients, families, caregivers, researchers, clinicians, and other professionals. Our total community grew to 12,000 members in 2022 with our online caregiver community reaching 7,200 members. We have 51 ambassadors in 8 countries who help local families navigate the LGS journey. In 2022, 644 new families were onboarded to our support community. 33 online support groups were hosted, 460 'new family welcome kits' were mailed to get families started on their LGS journey, and 485 'about LGS treatment kits' were mailed so that families could understand the broad landscape of LGS treatments. We also supported approximately 120 bereaved families who have lost their loved ones to LGS. Further, we have funded over \$100,000 in patient assistance since our inception. Our family support efforts continue to grow as we focus on supporting our families both locally and globally.
