

**Cure LGS 365 Research Award
Request for Applications**

Accepting Applications For LGS Research For Up to 2 Years of Funding

About the LGS Cure 365 Award

The LGS Foundation accepts unsolicited proposals year-round to seed new basic, translational, and clinical research projects on LGS. Projects may be on any novel topic in LGS but must be directly relevant to LGS, which is characterized by specific seizure types and hallmark EEG features. LGS Foundation priority areas for 2025 and moving forward are sleep, expressive communication, and EEG network evolution to LGS.

Eligibility

Physicians and Scientists with faculty or investigator appointments at any stage of their career are eligible to apply.

Review

Proposals will be reviewed quickly by our Medical Science Advisory Council, Patient Family Advisory Council, and Ad-Hoc Scientific Reviewers.
