

# LGS FOUNDATION LENNOX-GASTAUT SYNDROME

## Navigating THE LGS MAZE

### The 7th Annual Walk 'n' Wheel was a Success!

#### Thank You!

This year's #PurpleDay Walk 'n' Wheel for LGS was a huge success. Together, we raised 78% of our goal, bringing in over **\$48,000** for LGS Research.

Thank you! We couldn't have done this without you!

Walk contributions go directly towards the Foundation's *Finding the Cures, Together* program to fund cutting-edge research to help us Solve the Mysteries of LGS.

We fund research to understand:

**What causes LGS?**

**What is the best treatment for LGS?**

**How can we learn from every patient with LGS to better treat others?**

And much, much more!

Although great strides have been made, more work is needed. We hope that you will join us throughout the year as we continue to unlock the mysteries of LGS.

### Swing "FORE" A Cure

Join us Saturday, **July 23, 2022**, in Dublin, Ohio for an afternoon of fun at the first-ever *Swing FORE A Cure* Golf Event for LGS. All proceeds benefit the LGS Foundation!

Awards will be given for the 1st, 2nd, and Last Place Foursomes and Special Contests will be held for the Longest Drive, Closest to the Pin, and Longest Putt!

Each player will receive a Golf Gift Kit filled with golf goodies!

This event promises to be a good time, but **space is limited**, so be sure to register your Foursome early.

### Attend this Informational Town Hall on the STARS Clinical Trial

Join us Thursday, **April 21** for a joint Town Hall about the STARS Clinical Trial.

This global Phase 3 Trial is testing an investigational drug to see whether it could help people who experience prolonged epileptic seizures.

### Check Out the LGS Learning & Resource Center

LGS is hard. Finding information doesn't need to be.

Whether it is to find a doctor, read about new treatments for seizures, learn about epilepsy surgery, understand seizure clusters, or something else, the **LGS Learning & Resource Center** is here for you.
