

Supply Refills

Use the summary page below to document your loved one’s necessary supplies. This includes things like diapers, medical supplies and even durable medical equipment and accessories. Sometimes durable medical equipment also requires disposable medical supplies for use. Below are some helpful tips to keep in mind as you manage your loved one’s supplies.

**TIP:** Set a reminder on your phone to go off at least two weeks before supplies run out to remind you to start the order process. Adjust the reminders as needed depending on processing time for each of the needed supplies. Also, pay attention to weekends and holidays and try to avoid needing a resupply around those times, if possible. Additional pages can be added by going to the Attachments section of this document.
